

# slickrock METALLIC PEARL 260

## Specification Data Sheet

### Product Description

Designed for photographers seeking to enhance their images with a metallic look, Slickrock Metallic Pearl 260 transforms an image into life like, almost 3D quality. Black & White images shine on this new paper producing deep dark blacks and ultra-bright highlights. The paper's high gloss and unique sheen make this ideal for everyday prints with a twist.

-Available in single sided sheets and rolls
