

Refurbished Vintage Polaroid 600 Camera Limited Edition Mickey Cam

Time to celebrate a true original. Since 1928, Mickey Mouse has brought joy, magic and play to people all over the world. And Polaroid Originals couldn't be more thrilled to mark the occasion of Mickey's 90th Anniversary with a limited edition Polaroid 600 camera. Lovingly refurbished by hand, this vintage camera features a customized color treatment, accented by Mickey character details on the flashbar and face plate, alongside essential 600 Series features: focus ranging from 2 feet to infinity, and a built-in flash with manual override. The best way to take original format Polaroid instant photographs: with not one but two icons.
